Originally scheduled from 3-6 November 2020, the International Trade Fair for Construction Machinery, Building Material Machines, Mining Machines and Construction Vehicles, **bauma CONEXPO INDIA** will now be hosted from **February 23 to 26, 2021** in Gurugram/New Delhi.

Considering the escalating pandemic as well as domestic and international travel restrictions imposed by the Government of India, rescheduling the trade fair is a strategic decision. The decision to postpone the event comes after evaluating the market situation in the wake of the effect of the coronavirus pandemic.

Unified decision by the industry

Mr. Bhupinder Singh, CEO, bC Expo India Pvt. Ltd. elucidated on the decision to reschedule the trade fair, "We have arrived at the decision to postpone **bauma CONEXPO INDIA** after thorough market assessment and consultation with our key stakeholders. The postponement is in the best interest of the exhibitors and visitors."

The decision was supported by **Mr. Arvind K. Garg, Chairman, bauma CONEXPO INDIA - Task Force** and Executive Vice President and Head, Construction and Mining Machinery Business at Larsen & Toubro Ltd.: "We are in an unprecedented situation that has affected our industry significantly. This decision to reschedule **bauma CONEXPO INDIA**, is in accordance with the feedback we received from both our important stakeholders - exhibitors and customers."

Press Release | July 27, 2020 | 2/2

Mr. Sandeep Singh, President of ICEMA and Managing Director, Tata Hitachi Construction Machinery Company Private Limited supports bC Expo India Pvt. Ltd.'s decision to reschedule by stating, "The pandemic has had a deep impact globally and in India, both in human and economic costs. The postponement of bauma CONEXPO INDIA will give the Indian industry time and resources to enable exhibitors to participate in the 2021 edition."

Mr. Mu. Moahan, President of Builders Association of India (BAI) commented on the postponement: "Rescheduling bauma CONEXPO INDIA 2020 will enable exhibitors and visitors from across the country to participate in the trade fair without any complications. The postponement is although more welcome, as BAI National Members Meet can be planned alongside with bauma CONEXPO INDIA 2021 with maximum participation from pan India."

Registration open

Hence, exhibitors and visitors alike can prepare their participation in the 6th edition of bauma CONEXPO INDIA. Interested companies can still register online at bcindia.com.

bauma CONEXPO INDIA

bauma CONEXPO INDIA, international trade fair for construction machinery, building material machines, mining machines and construction vehicles, is the most important industry event for the sector in India with an exhibition area of 195,000 square meters. The last bauma CONEXPO INDIA in December 2018 attracted 668 exhibitors from 26 countries and 39,173 participants from India and neighboring states. bauma CONEXPO INDIA is held every two years: the 6th event will take place in Gurugram/Delhi from February 23 to 26, 2021.

bauma NETWORK: Six construction machinery trade fairs of Messe München

In addition to the world's leading trade fair bauma, Messe München has extensive skill in organizing additional international construction machinery trade fairs. For example, Messe München organizes bauma China in Shanghai and bauma CONEXPO INDIA in Gurugram/Delhi together with the Association of Equipment Manufacturers (AEM) as well as the bauma CONEXPO AFRICA in Johannesburg. In December 2015, Messe München successfully expanded its portfolio further with the purchase of the leading Russian construction machinery trade fair CTT, now renamed bauma CTT RUSSIA. In March 2017, the bauma NETWORK was again expanded with M&T EXPO in the form of a license agreement with SOBRATEMA (Brazilian Association of Association of Technology for Construction and Mining).

Messe München

Messe München is one of the world's leading networking platforms. In a reflection of the slogan "Connecting Global Competence," Messe München serves as a global networking platform and brings together decision makers from all parts of the world. Messe München's portfolio comprises more than 50 trade fairs for capital and consumer goods as well as new technologies that focus on the latest social issues. These trade fairs include the world-leading trade fairs bauma, BAU, IFAT and ISPO Munich. The roughly 200 events organized by Messe München each year attract about 50,000 exhibitors and 3 million visitors.

Messe München has one of the most modern exhibition grounds in the world and with its four locations in Riem, the ICM – Internationales Congress Center München, the MOC Veranstaltungszentrum München, and the Conference Center Nord, is able to fulfill all its customers' requirements individually. Messe München is very successful in its domestic market in Munich as well as in other countries. It is active in all important growth markets: China, India, South Africa, Brazil, Russia and Turkey. Overall, Messe München, with its network of associated companies and foreign agencies, is present in more than 100 countries.

Association of Equipment Manufacturers (AEM)

AEM is the North American-based international trade group representing off-road equipment manufacturers and suppliers, with more than 1,000 companies and more than 200 product lines in the agriculture and construction-related industry sectors worldwide. The equipment manufacturing industry in the United States supports 2.8 million jobs and contributes roughly \$288 billion to the economy every year. AEM has an ownership stake in and/or manages several world-class exhibitions, including CONEXPO-CON/AGG, the largest construction trade show in the western hemisphere and one of the world's largest gathering places for the construction industries. AEM's trade show portfolio also includes CONEXPO Latin America, the premier construction equipment trade show in the Hispano America.
