

THE HEARTBEAT OF OUR INDUSTRY

32nd Edition of the World's Leading Trade Fair for Construction Machinery, Building Material Machines, Mining Machines, Construction Vehicles and Construction Equipment.

April 8-14, 2019, Munich

→ www.bauma.de

bauma is more than the world's leading trade fair: it is the heartbeat of the industry. Its exhibitors define the rhythm — dynamize the market — drive the business. With one paramount goal: to always be one step ahead. Because it's not just about individual perspectives, but the big picture: the construction, building material and mining machine industry in its full dimension.

At the 2019 edition of bauma, all eyes will be on the designated partner country Canada.

More trade fair.*

» Every three years, bauma offers us the unique chance to meet with customers from around the world. As the largest trade fair in our industry, it is a good opportunity to showcase new products and services as we demonstrate our customers the many ways that Terex works for them. «

John L. Garrison, CEO & President, Terex Corporation, USA

» We regard bauma as the unique exhibition in the world which represents the construction sector widely and deeply. There is no other event that allows the exhibitors to achieve such international visibility. bauma is the right expo to establish new business partnerships where the future is being built by introducing state-of-the-art technologies. «
