€23m Facility for Leading Construction Company

€17m Facility for Large Recycling Business

Financing solution for Mecalac Zero Emission Machine

ECO Lease for Wacker Neuson

20% Acquisition of Inquieto

WACKER NEUSON
all it takes!

ECO Lease
A climate friendly financing solution

ing the lease agreement, we will have acquired to compensate for the carbon offsetting. This is in addition to the monthly payments you will receive a brief overview

DLL acquires 20% of Inquieto in a clear commitment to sustainable mobility

Aug 8, 2022

of CO₂.

on of CO₂ that has been verified to be requested through tree growth, agroforestry projects that support countries like Tanzania, Cote d'Ivoire, and

DLL, a wholly-owned subsidiary of Rabobank, advances its commitment in the last-mile delivery zero-emission vehicle sector with Inquieto, a GAM Group member.

This operation enables Inquieto to reinforce its expansion efforts and undertake new projects to optimise sustainable mobility.

Granda (Asturias), 6 July 2022 – [Inquieto Moving Attitude](#), a company of the Spanish multinational GAM (BME: GALQ), specialising in solutions for the sustainable mobility industry, today signed a 20% equity stake investment deal with DLL, a global asset finance company and [Rabobank subsidiary](#).

DLL's investment continues its support of energy transition to net zero through one of the leading players in the last mile distribution zero-emission vehicles sector in Spain and Portugal.

ZERO EMISSION
